Description
We are recruiting pre-apprentices and apprentice glaziers for large projects in the Victoria area to start immediately. This is more than a work opportunity, it's a chance to try out the Glazing Trade in a Union environment and could lead to an apprenticeship and the start of a rewarding career. A Glazier measures, handles, cuts, prepares, and installs all types of glass, mirrors and glass substitutes typically in or on exterior walls of buildings. Glazing is well suited for people who are physically fit (some heavy lifting), good with their hands, enjoy a fast-paced environment, comfortable working at heights and able to work independently or as part of a team. As with all Trades, a successful career in the Glazing Trade will require a strong work ethic, flexibility and self-starter attitude.
