

IUPAT DISTRICT COUNCIL 38

Finishing Trades Institute of BC

Career Opportunity

Date Posted	May 6, 2021	Deadline to Apply:	ASAP "Starts Monday"
-------------	-------------	--------------------	----------------------

Company Name	FTI BC & IUPAT DC38
Address	12277 Industrial Road, Surrey
Opportunity	Level 1 Wall & Ceiling Apprenticeship Course (2 seats available)

Description

The Wall & Ceiling (Also known as Lathers or Interior Systems Mechanic) Apprenticeship Program consists of three six-week Levels where apprentices learn how to install, handle, build, and apply materials that are used in the construction of ceilings and walls.

Through a combination of hands-on learning and classroom time, Wall & Ceiling Installer Apprentices become well-rounded journeypersons prepared for any challenge. Apprentices learn the best practices to frame commercial, industrial, institutional, and residential jobs, including rain-screening walls, and using materials such as steel stud, drywall, sound proofing, insulation, lath, stucco and more.

The apprenticeship program usually takes about four years to complete, with a total of 18 weeks in-class. In addition to the in-class training, the apprentice must complete 6,000 hours in the workplace with an ITA-approved sponsor.

For more info please visit <http://ftibc.ca/apprenticeships/interior-systems-mechanicism/>

Qualifications/Requirements

A Wall & Ceiling apprenticeship is well suited for people who are good with their hands, enjoy a fast-paced environment, and like to work independently. No experience is necessary.
