Company Name	FTI BC & IUPAT DC38		
Address	12277 Industrial Road, Surrey		
Opportunity	*FREE* Level 1 Lather/Interior Systems Mechanic Apprenticeship Course		

Description

The Lather/Interior Systems Mechanic (Formerly known as the Wall & Ceiling Installer) Apprenticeship Program consists of three six-week Levels where apprentices learn how to install, handle, build, and apply materials that are used in the construction of ceilings and walls.

Through a combination of hands-on learning and classroom time, Lather/Interior Systems Mechanic Installer Apprentices become well-rounded journeypersons prepared for any challenge. Apprentices learn the best practices to frame commercial, industrial, institutional, and residential jobs, including rain-screen walls, using materials such as steel stud, drywall, sound proofing, insulation, lath, acoustical ceilings and more.

The program usually takes about four years to complete, with a total of 18 weeks in-class. In addition to the in-class training, the apprentice must complete 6,000 hours in the workplace with an ITA-approved sponsor.
