Introduction

This booklet contains information about your Group Benefits. Please keep it in a safe place. It is intended to summarize the principal features of your plan. All rights to benefits are governed by the Group Contract/Policy.

The Group Policy contains a provision removing or restricting the right of the Member to designate persons to whom or for whose benefit insurance money is to be payable.

The Group Contract does not permit a Member or Dependent to designate a personal representative or a beneficiary to receive benefits.

Defined terms are capitalized (e.g. Dependent). Pacific Blue Cross (PBC) and Blue Cross Life Insurance Company of Canada (Blue Cross Life) are referred to as “we”, “us”, or “our” in this booklet. We will refer to you, the Member, as “you” or “your” in this booklet.

Pacific Blue Cross, the registered trade-name of PBC Health Benefits Society, is an independent licensee of the Canadian Association of Blue Cross Plans.

Coverage is provided through:

- Pacific Blue Cross**
 - Extended Health Care (EHC)
 - Dental Care
- Blue Cross Life**
 - Short Term Disability (STD)

Please refer to the Table of Contents to help you locate the appropriate section in this booklet. If you require additional information, please contact your Plan Administrator.

Integration with Government Plans

Extended health care benefits are intended to supplement and not overlap benefits under Government plans such as the Medical Services Plan and Fair PharmaCare Program of British Columbia. You are required, as a condition of coverage, to take all reasonable steps to qualify and obtain the fullest extent of coverage, benefits, contribution, or reimbursement available under all applicable Government plans. We will also make payment only where permitted by provincial legislation or other applicable law.

Effective Date of Coverage and Enrolment

Your effective date will be determined by your Plan Administrator.

You should apply for Dependent coverage on the same date you apply for your own coverage.

Provided you and your Plan Administrator have complied with our enrolment rules, your coverage effective date is shown on our website at www.pac.bluecross.ca/member/ or from your Plan Administrator.

Beneficiary

- 1) To the extent permitted by law, you have the right to name a personal representative or beneficiary for Life and Accidental Death and Dismemberment benefits or change this personal representative or beneficiary, by written request in a form satisfactory to us. Claims

- 1) All claims must be submitted to us in English.
- 2) We pay eligible claims when we receive all the required information within the required **time limits**. We encourage you to become familiar with the time periods allowed for claiming benefits. Under the Claims sections, we fully describe the claiming deadlines for each benefit. No payment will be made if we receive your claim after the time limits described in this booklet.
- 3) We may reject your claim if sufficient information is not provided to enable a full assessment of the claim, or if an attempt is made, except through unintentional error, to make an excessive claim, or if a claim is made for a person who is not entitled, or if any Group Contract/Policy exclusion applies.
- 4) The necessary claim forms are available from your Plan Administrator or on our website at www.pac.bluecross.ca/member/
- 5) The exchange rate on foreign currency is payable at the rate quoted by selected Canadian financial institutions for the date on which the expense was paid. Fluctuations in exchange rates are not our responsibility.

Duplicate Coverage

If you and your Spouse are eligible for member coverage through the IUPAT, please check with your Plan Administrator to see if Duplicate coverage is allowed for dental and extended health care benefits.

If you and your Spouse work for different employers and you are both enrolled for similar benefits, Duplicate coverage is allowed.

If you are eligible for Duplicate coverage, you and your family should discuss both plans (and what portion of the benefits you pay) to determine whether it is to your advantage to enroll under more than one plan.

Your Plan Administrator will advise you if you are eligible to waive certain benefits under this group plan.

Termination of Coverage

The termination date of your coverage will be determined by your Plan Administrator.

Claims

Pay Direct

Provided your pharmacy is connected to our electronic processing system, we will pay them directly for prescription drugs and testing supplies for diabetics covered under your EHC plan. Simply show the Pharmacist your EHC ID card.

The Pharmacist will charge you only for amounts not covered by us. If you or the pharmacy do not have access to this system, or for other types of expenses, please follow the instructions below.

Paper Claims

Because we do not return receipts after the claim is processed, we suggest that you keep a photocopy of the receipts that you submit to us.

We will send you a remittance statement for your records each time you submit a claim.

- 1) If you have Duplicate coverage, please review the *Coordination of Benefits* section under General Information. Two separate claim forms (one for the primary plan and one for the secondary plan) must be completed. The remittance statement from the first plan must be submitted to the second plan. Because claims information regarding the other plan is not retained on our files, be sure to provide information on the second plan on both claim forms. Incomplete claims will be returned for clarification.
- 2) Certain medical expenses are covered under the provincial/territorial plans. If you submit your claim to us before you submit your claim to the provincial/territorial plans, we will deduct what the provincial/territorial plans would normally pay from your EHC claim. The balance of the EHC claim is then paid according to the plan design selected by your employer.
- 3) Accumulate receipts and when reasonable reimbursement is due, submit a claim as follows:
 - a) Obtain a claim form from your Plan Administrator or on our website at www.pac.bluecross.ca/member/.

This is important especially when your Dentist is recommending extensive dental work. This will help you understand what portion of the Dentist's bill must be paid by you in the event that you wish to proceed with the treatment recommended by your Dentist.
- 2) We suggest that you submit claims within **90 days** of the completed date of services (earlier if possible). Failure to submit a claim within the 90 day limit will not invalidate the claim if it is submitted as soon as reasonably possible. However, in no event will we pay any claim or adjustment received later than **12 months** from the date the service is performed.
- 3) We require a separate claim form for each member of your family who has received dental services. Be sure to include the following information on the claim form:

 - a) If you have paid your Dentist directly, we will reimburse you the Benefit amount when we receive:
 - i) a claim form signed by the patient that is either submitted with a receipt or is signed by the dental Provider showing the services performed and the fee charged, or

 - b) For pay direct claims, We will pay the Benefit amount to the Dentist directly for services provided under this benefit plan when we receive:
 - i) a claim form showing the services performed and the fee charged, signed by the patient and the dental Provider, or

- c) Treatment plan
 - i) Have your orthodontist complete the “Certified Specialist in Orthodontics Standard Information Form” (the treatment plan) before treatment starts. The treatment plan must include a brief description of treatment to be performed, a breakdown of the fees to be charged, and the estimated length of treatment.

 - iii) As long as your coverage is effective, monthly or quarterly reimbursements will be made to you until the dollar maximum is reached or the treatment is complete, whichever occurs first.

Short Term Disability

Definitions

Day surgery

means admission to a public general Hospital for a surgical procedure where the patient is released from the Hospital the same day. Note: diagnostic procedures do not qualify as a surgical procedure.

Hospitalization

means admission to a public general Hospital for at least 1 overnight stay as an in patient.

Recurrent disability

means a disability that is related to or due to the same cause(s) as a prior disability for which you received benefit payments.

Benefit

We will pay short term disability (STD) benefits when you are disabled and prevented from working as a result of an accident or sickness for which Workers' Compensation benefits are not payable.

The elimination period is a period of time, when you are continuously disabled, which must be completed before your claim for benefits will be considered. Benefits commence on the day after the elimination period expires or on the first day you were seen and treated by a Physician or chiropractor – whichever is later – and will be paid only during periods of disability when you are under his or her regular care

and following the treatment prescribed. Certification of disability beyond a 6 week period (2 weeks for oral surgery) must be made by a Physician.

The weekly Benefit amount, the elimination period, and the maximum benefit period are shown in the Schedule of Benefits.

Recurrent Disability

A Recurrent disability will be considered part of the prior disability if, after receiving STD benefits, you returned to work on a full-time basis and were able to perform all the essential duties of your occupation for less than 2 weeks. Once you have resumed work on a full-time basis and have been at work for 2 consecutive weeks, any subsequent injury or sickness will be considered a new disability.

Graduated Return to Work

If you return to work on a gradual rehabilitative basis you will have your benefit reduced by 50% of any income earned from the rehabilitative employment. The combined total of your benefit plus the rehabilitative income will not exceed 100% of your earnings prior to the date your disability started.

Benefits will continue for a maximum of one period of disability as outlined under *Recurrent Disability*, whether due to one or more illnesses.

In consultation with you, your employer, and with your Physician's agreement, we will determine your eligibility for this program and its duration.

Extended Benefit

If you are disabled when this insurance terminates, your STD benefits will continue as though your insurance had not terminated, up to the maximum benefit period, provided you remain disabled.

Coordination with other Income Sources

Your STD payment will be coordinated with benefits received from other sources so that the total benefits received, for the same disability, will not exceed your normal take home pay on the date you became disabled.

Third Party Liability

With the exception of motor vehicle accidents, benefits will be paid for disabilities due to an accident in which a third party is liable. However, you must reimburse us when you receive payment from the third party.

No Fault, Uninsured or Hit & Run Accidents

No benefits will be paid to Members who have a right or claim to indemnity under Section 20 or 24 of the *Insurance (Motor Vehicle Act)* or a right or claim to receive accident benefits under Part 7 of the *Insurance (Motor Vehicle Act) Revised Regulation (1984)*.

Are Benefits Taxable?

Benefits are taxable if your employer contributes to the cost of your STD Plan. Benefits are nontaxable if you pay the entire cost.

Termination of Benefit

Your benefit payments will cease on the earliest date one or more of the following occurs:

- 1) you are no longer disabled
- 2) you are no longer receiving continuing medical care and treatment from your Physician
- 3) you fail to submit satisfactory proof of continuing disability as required by us
- 4) you refuse a medical examination by a Physician chosen by us
- 5) you are no longer following the treatment recommended for your disability
- 6) you leave Canada, for reasons other than to obtain treatment that is not available locally or that may be available sooner elsewhere. Such treatment must be recognized by the Government plan (i.e. the Medical Services Plan of British Columbia and similar programs in other parts of Canada) as medically necessary. If you normally reside outside Canada, such treatment must be approved by us.
- 7) you perform any work for compensation or profit
- 8) the end of the maximum benefit period indicated in the Schedule of Benefits
- 9) you retire
- 10) you die.

Exclusions
